Community News

Dear Friends of Music at CtK,

We have three very different goodbyes in the Music Ministry at CtK. We want to highlight these for your support, prayer, and well-wishes. See below for details.

More FoM website changes are coming soon, but check out the ***Worship Music tab*** for a more streamlined listening experience. Each section begins with a curated list of my personal favorites from live, unedited music from CtK services and events, and includes many others in alphabetical order for easy finding.

A generous donor has made a large donation toward the purchase of a new organ for CtK! See below for details and how you can help us realize this long-time dream!

As the music programming slows down for the summer, my gratitude and very best go with each of you, hoping you'll all enjoy a restful and joyous summer season.

Warmly,

Ann

In Loving Memory
Carla C. Jones
July 25, 1980 - June 10, 2023

Many of you know that our beloved bass-baritone, John Jones, tragically lost his sister earlier this month.

For more information, including where to send flowers, please follow [this link](#).

To contribute to service/family flowers from Music Ministry, please donate [here](#) and choose "Friends of Music," or contact Ann. To sign an electronic card, please contact [Ann](#) for details.

Joyful Sendoffs

We say goodbye for now to two cherished musicians who have blessed the community with their musical gifts.

Join me in wishing

Katie Jane Glade
and
Judy Chirino Yannini

all the best in their next adventures!

Katie Jane is off to the University of Georgia! She is the recipient of The Presidential Scholarship and plans to study Economics and International Affairs. She has played piano many times at CtK as a soloist, collaborator, and accompanist, and she has served

as the accompanist for the Youth Group. She plans to continue studying and perfecting her musical gifts as a pianist.

If you'd like to sign an electronic card for her, please contact [Ann](#).

Judy Yannini heads to Portland Opera for her position as Resident Artist! We'll miss her superb musicianship in our choir and wish her all the best in her fabulous career. [Read my interview with Judy here.](#)

***HELP US ENHANCE OUR
WORSHIP AND COMMUNITY
OFFERINGS WITH A NEW
ORGAN!***

Why a new organ?

The current organ is old, with faulty wiring, many non-functional features, incompatible old technology, and vast musical limitations.

A new organ would enhance our services and events, giving us greater opportunity to serve God and our neighbors.

How much would a new organ cost?

Like anything else, there are many tiers of cost for organs. Our desired instrument costs about \$100,000.

Does this include installation?

Yes, this includes every aspect of organ and sound

installation.

What kind of organ would it be? Would it still have pipes?

We are looking at a Rodgers 351. This organ can function beautifully as solely electric or as a hybrid with pipes. The sounds are samples from the very best organs from around the world and has limitless capability for concert repertoire as well as service music in many styles. This is the organ brand that has been used at Carnegie Hall for decades. See the full brochure [here](#).

How much money do we need to achieve this goal?

We have approximately \$50,000 from a generous donor, so we're about halfway there!

How can I give?

You can give your tax-free donation online [here](#), and be sure to choose the Friends of Music designation. You can also send a check with "Friends of Music-Organ" on the memo line to:
