SPRING 2022

Dear Friends,

In my most recent blog post, I take on Blended Worship. What is it, and why is it important? Please take advantage of the many other resources on *our website!*

Please join us **this Sunday, June 12, at 11:15** as we consecrate our church building as its new owners! Friends from around the country will be joining us to celebrate together. Men's Chorus, Mixed Adult Choir, Choristers, and many instruments will accompany our worship. The service will be followed by a potluck lunch on the lawn and more live music. More details may be found *here*. We hope to see you there!

Warmly,
Ann
